

**CLNH Annual President's Report
October 18th, 2018**

The Spring conference at Pat's Peak was a wonderful gathering! We learned so much from all of our presenters. Grace Lin was phenomenal to hear talk and a big thank you to all of our librarians who got up and helped bring one of her stories to life! Kirsten Cappy brought her I'm Your Neighbor collection to us, showing just how powerful and healing books can be. Learning more about making our collections as open and welcoming as possible was a timely and wonderful way to spend the morning. Our afternoon was spent learning all about this year's Great Stone Face nominees and getting excited about bringing these nominees into our libraries.

This coming Spring instead of having a stand-alone conference we will be joining up the NHLA for their conference on May 9th and 10th in Meredith, NH. The Great Stone Face Tea will be happening on the Friday of that conference.

It is important to remember to check and make sure that you are up to date with your CLNH membership! It needs to be renewed yearly, and it is important to make sure that whoever is updating the membership makes sure to mark you down as wanting to be a member for this section.

Respectfully submitted,
Letty Soule
CLNH President
